

Indiana Department of Education

Dr. Katie Jenner, Secretary of Education

To: Superintendents, Principals, School Leaders

From: Lynn Schemel, Director of Assessment

Date: March 11, 2022

Subject: Graduation Requirements

Beginning in the 2022-2023 school year, students in the 2023 graduation cohort and beyond are required to participate in the SAT School Day assessment during grade 11 and demonstrate postsecondary readiness through completion of the Graduation Pathways. Students must meet the following graduation requirements by completing a Pathways option in each of the following:

1. High School Diploma
2. Learn and Demonstrate Employability Skills
3. Postsecondary Ready Competencies

Students may use the results of the SAT School Day assessment to satisfy the Postsecondary Ready Competency by meeting the SAT College and Career Readiness benchmarks.

Information on Graduation Pathways requirements can be found [here](#).

Students in the 2020-2022 graduation cohorts who have not yet met graduation requirements have the following options to meet their graduation requirements during the 2022-2023 school year:

1. Complete the Graduation Pathways requirements.
2. Qualify for a Graduations Pathways waiver.
3. Participate in the SAT School Day, with the ability to use that result as a Graduation Qualifying Exam attempt.

Contact the Indiana Department of Education's (IDOE's) Office of Student Assessment via email at INAssessments@doe.in.gov or via phone at 317-232-9050 with any questions.
